

PROFILE – Rochelle Roy

Website and Graphic Designer

Website and Graphic Designer, Rochelle Roy, started pursuing her design career in 2006. Rochelle has the essential hands-on knowledge and experience to help lead you on your way to web success.

Rochelle is the Founder/President of DiAlo which operates as three different companies; DiAlo Website and Graphic Designs, DiAlo Rent, an online property listing service and DiAlo Executive Assistance, a virtual administrative support service. Rochelle is also a Board Advisor for RHR Home Repair and Improvements, a handyman service in Columbus, Ohio.

Rochelle has over ten years of accounting and human resources experience, with a background in computers, which has enabled her to be multi-talented. Rochelle is passionate about the work she does and gives all praises to God for the skills she's acquired along the way.

Rochelle received an Associate degree in Computer Science from Columbus State Community College and currently working on her Bachelor of Science degree from Franklin University in Integrated Media & Technology, Digital Design & Graphics, with an emphasis in Web Development. In 2008 she became an Aspiring Minister. Her motto to life is "The greatest disaster is not falling down, but rather staying down".
